

Patti Yuengling
Soroptimist International

May 9, 2017

Dear Patti,

Thank you and Soroptimist International for collecting for Days for Girls International at your convention. It was amazing how many underwear, wash cloths, Ziploc bags, material and soap were donated! Even taking just half of the items for the Wayne PA team has made an impact on the number of feminine hygiene kits we can now complete with these items.

Your support of Days for Girls International does make a difference. As a non government charity, we totally depend upon the generosity of concerned people such as you. Your gifts are tax deductible.

With donations to Days for Girls, the Wayne PA team has been able to:

- ✚ Purchase the materials needed to make 520 reusable feminine hygiene kits for the girls at Trinity Children's Centre and Centenary High School which were sewn here and delivered to the girls in September 2016
- ✚ Send several teachers and girls to the Days for Girls training in Uganda to learn to make the kits at the schools
- ✚ Provide funds to purchase the materials in Uganda to make the kits
- ✚ Continue sewing kits to be distributed in other countries whose girls are missing school due to a lack of hygiene products
 - 125 kits being taken to South Africa this month
 - 200 kits being taken to Uganda in June

Thank you for caring.
